bonding matters

KORNIT NEOPIGMENT™ ROBUSTO **SOFTENER**

THE TOUCH OF SUSTAINABLE FASHION ON-DEMAND.

Opening a world of business opportunities with vibrant colors, intricate design capabilities, and a fabric touch that is second to none.

The Kornit NeoPigment™ Robusto dry digital Softener eliminates barriers between waterless, digital pigment decoration and the growing challenges of fashion on demand.

* The NeoPigment™ Robusto Softener is currently available for Kornit's Presto system.

SMART, SUSTAINABLE FASHION

Kornit Solution

Integrated, efficient single-step

Eliminate setup and sampling times with an efficient, single-step solution.

Print and soften any design on demand, using a single ink set.

Produce on demand and reduce waste

The only dry digital solution: Meet the highest sustainability standards with Kornit's Eco-Passport certified and GOTS approved.

Produce on demand, to eliminate production and inventory waste.

Expand your business with fashion quality garments

Regardless of fabric type, give customers more vibrant colors, and the widest color gamut, without sacrificing the fashion industry's most demanding standards of touch.

Grow your customer base with responsibly made apparel fit for any runway.

Sustainability Matters

Print Responsibly with Kornit

Kornit considers sustainability to be a core company value and invests great effort and resources in minimizing the company's environmental footprint.
